Dr. Nobuhiro Nishiura  
Director, Keihan Hospital  
Department of Neuropsychiatry

Dear Dr. Nishiura,

Thank you very much for your letter. It was a great pleasure for me to meet you again and talk to your staff about my country and its mental healthcare system.

I was impressed by the comments from your staff that they are eager to learn and improve their support to patients. It would be a high honour for me if my company and I can be a part of their learning, and consequently contribute to the treatment of your patients.

The chestnut cake from your hometown was very tasty. I enjoyed it very much with my family.

If you have any questions, or request to our company, please let me know through Tohru Ishihara, our Medical Representative, or contact me at [gomez\\_juan-carlos@lilly.com](mailto:gomez_juan-carlos@lilly.com).

Thank you again and I look forward to working with you in the future.

Sincerely yours,

Juan Carlos Gomez, M.D.
